SCUM Student Leader Covenant

Being a student leader is a serious responsibility. It requires being a leader worth following. You cannot expect anyone to respect you as a leader and follow your leadership unless you are willing to live like a leader should. As a part of the responsibility of being a student leader you are asked to agree to each of the statements below:

Relationship With Jesus

I will make my personal relationship with Jesus the number one priority in my life. I will seek to grow by spending time daily with God, finding a spiritual mentor, and surrounding myself with Christians who will challenge me in my faith.

Godly Lifestyle

As a student leader I understand how I lead my personal life will greatly affect my ability to lead. I will be careful to remain pure in dating relationships and avoid alcohol, tobacco, drugs, and pornography.

Attend All SCUM Team Meetings

*I am committing to attend all SCUM Team meetings. I have a SCUM calendar and will prioritize meetings and events on my own calendar. I also commit to **sharing this information with my parents** to avoid conflicts later. If I have a conflict that is unavoidable I will contact Pastor Josh **at least one week before** the meeting. I understand that if I miss meeting without talking to Pastor Josh, Mike, or Myra that I may be asked to resign the team.*

Regular Involvement in Salt Co. & House Groups

*I understand that as a student leader I need to regularly attend youth group functions. **I will prioritize my schedule so that Jesus and my spiritual development come before work and other activities.***

Personal Development

I realize that SCUM is focused on developing me as a leader. I commit to doing all the work necessary to becoming a better leader for my growth, the group's good, and God's glory.

Sacrifice for Others

I understand that I will be asked to sacrifice for others as a leader. I will make that sacrifice willingly.

Defend the Team

*I will **never** talk bad about any other member of SCUM. I will avoid gossip and drama. I will keep all problems within the confines of the team and commit to working them out in a God-honoring way.*

Pursuit of Excellence

I am willing to pursue excellence in all I do as a student leader.
